

ACCLIMA™ LUXURY VINYL PLANK COLLECTION

The Acclima™ Collection utilizes “no acclimation” technology, allowing for a quick purchase and installation on the same day. Each color within the collection presents a sophisticated appearance, complete with natural knots and grains that closely resemble authentic wood. This 7” x 48” gluedown vinyl flooring is water-resistant and comes with a 25-year limited residential warranty, guaranteeing peace of mind. It includes MSI’s exclusive CrystaLux™ protection layer, which prolongs its lifespan by safeguarding against regular wear and tear. This stunning vinyl plank flooring is suitable for all floor levels, making it perfect for both residential and commercial use, including basements. Its luxurious appearance makes it ideal for spaces like kitchens, living areas, bathrooms, and more.
